

# Saccon

## BRAKE SYSTEMS

2023

**SACCON brand**

*born in 1981 from the ideas, willingness and passion of its founder: Floriano Saccon.*

*Although SACCON is a family company today, as group, involve over 300 people in 4 plants in the World all together working with the same target: CUSTOMER SATISFACTION*

*Made in SACCON is the result of expansion in Asia of the production plants.*

*SACCON Italy is the headquarter of the R&D.*

*Italian based production lines are serving several business areas.*

*Along our history we expand our business from the bicycle brakes to other application fields where innovation, research and technology born from SACCON's style.*

**WCS**<sup>®</sup> Wuxi Chiver Saccon Cable Ltd, in China, is another arm of the group where production of cables for bike and other sector business is performed. Starting from the wire to the outer casing, from the complete cable to the special item subassembly production any customer needs are fulfilled.

*The competence and the know-how of SACCON together with both asian partners capacities allows SACCON Group to be in the market with the best mix of asian based production joined with the tradition, mentality and SACCON's style.*

*Technical support, quality and service have been always key factors in the cooperation between SACCON and You*

**Saccon**<sup>®</sup>

*Codognè (Treviso) - Italy  
head plant*

*Quarto d'Altino (Venezia) - Italy  
plastic division plant*

*Wuxi Chiver Saccon Cables co. LTD  
Jiangyin city, Jiangsu, China plant*

## DH58 Hydraulic

Brake and lever set with cables  
double side activated

DH58FO - left 1000  
DH58RO - right 1700
